### ABM PEW REFLECTIONS

Jesus tells us of the tax-collector's heartfelt prayer: *God, be merciful to me, a sinner.* This is the basis of what is known as the Jesus Prayer, and is central to the prayer lives of Orthodox Christians throughout the world. May it be our prayer each day this week.

- *Lord Jesus Christ, Son of God: be merciful to me, a sinner* – The Jesus Prayer, beloved by the Orthodox Church.
- Give thanks for the work and witness of the National Aboriginal and Torres Strait Islander Anglican Council.

## Re I am in urgent need of Sacristans

Dear Friends,

I need people to step up and take a place on the Sacristan Roster for 10am Sunday. Twice of recent weeks I have come into the church on Wednesday to find all the sacred vessels left from Sunday. The individual glasses the wine has become sticky residue in the glasses and the ciborium and chalice are abandoned on the credence table. It is sad that sacred items that have held the body and blood of Christ, are left unattended for three days. I hope that we can treat these vessels associated with the Eucharist with the dignity they are due going forward.

If no offer of help is forthcoming I will do this job myself but that means I won't be catching up with people immediately after the service. Please consider this request prayerfully. Perhaps a new role in worship is something that God is calling you to. Thank you in anticipation.

Blessings

Linda

## Upcoming Events

Please put these two dates in your diary

- St Margaret's Day 13 November. One service 9.30am followed by special morning tea . Readers, Intercessors and Communion Assistants to be shared from both services. Please let Carolyn in the office know if you are unavailable on that date and would normally be rostered on for the 2nd Sunday of the month.
- Annual Meeting to be held on Sunday 20th November at 11:00am following combined service at 9.30am

Thanks Sally

Bone diseases affect 3 out of 10 Australians. Food plays a critical role in bone density and other factors affecting bones and joints. Learn how our diets are impacting our bones and what changes in the diet can help us relieve those back pains and joint pains.

Heal with Food is a community project in Nillumbik that aims to help our people to reduce their dependence on pills and take charge of their health.

"Can anything good ..  
come from a storm?"

"You learn to love yourself
