St Margaret's Anglican Parish Eltham acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the land on which we worship. We commit to working for reconciliation and justice for First Peoples. Diversity and inclusivity are important to us at St Margaret's. Everyone is welcome here, regardless of race,

### ABM PEW REFLECTIONS

The Samaritan leper was the only one of the ten whom Jesus healed to give him thanks for being restored to full health. Let our prayer each day this week be one of thanks for all God has done for us in our lives.

- Give thanks for everything that Jesus has done for you from your childhood until now.
- Give thanks for the work and witness of the Church of the Province of South-East Asia.

*Working for Love, Hope & Justice*

### Prayer of the Week

Almighty God,  
in your wisdom you have so ordered  
our earthly life  
that we must walk by faith and not by sight:  
give us such trust in your fatherly care  
that in the face of all perplexities  
we may give proof of our faith  
by the courage of our lives;  
through Jesus Christ our Lord.  
**Amen.**

In times of desolation, as we are learning right here, right now, it's hard to know if anything can make a difference. How do we care for those who are faithfully serving us, for those whom we love and depend upon? In their weariness, can we protect them from disillusionment and despair? Or is the task of a rather different nature?

How might we keep company with them in the dark places of their (and our own) fear and sorrow and grief? Is there any hope to be found? These questions lead us to the heart of the mystery of God. While finding the courage to grieve is central to this path, it is often the strength of kindness that helps us take the first steps.

Linda Walter has worked in nursing, hospital chaplaincy, bereavement counselling, psychotherapy, and spiritual direction. While a pastoral counsellor at Peter MacCallum Cancer Centre, she taught postgraduate nurses and medical students. She has conducted bereavement support groups and facilitated grieving among health professionals and lectured at Yarra Theological Union on "Death, Grief & New Life: Conversations of Faith", and led clergy retreats. Linda has been active in the Christian feminist movement and co-authored, *Women of Spirit: Woman's Place in Church and Society*. She now enjoys retirement with her husband Nick in Anglesea, along with family and friends who stay often in what is affectionately called their bush mission hospital.

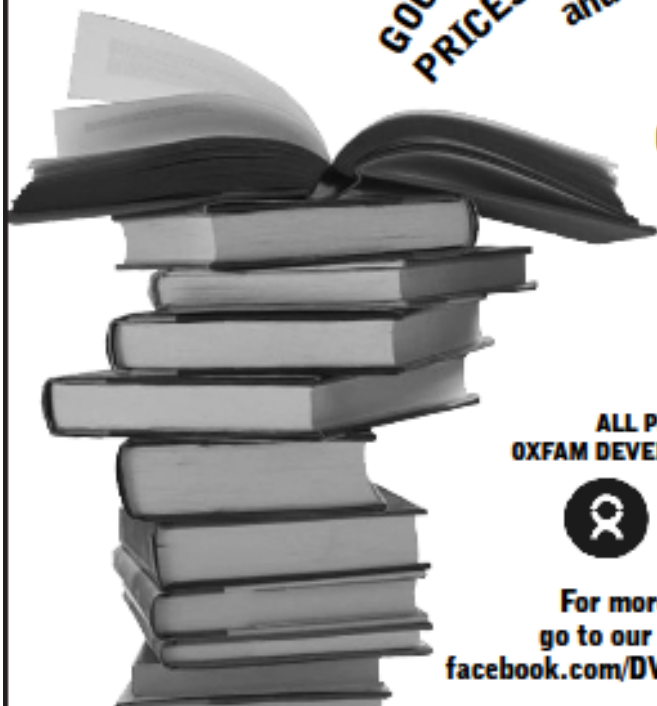

The Roy Bradley Oration honours the life and work of Roy Bradley who had a pioneering role in the development of pastoral care in Australia. This annual lecture on contemporary issues in the spirituality of care and community is hosted by the Centre for Spirituality of Care and Community. [www.csc.org.au](http://www.csc.org.au)

Bone diseases affect 3 out of 10 Australians. Food plays a critical role in bone density and other factors affecting bones and joints. Learn how our diets are impacting our bones and what changes in the diet can help us relieve those back pains and joint pains.

Heal with Food is a community project in Nillumbik that aims to help our people to reduce their dependence on pills and take charge of their health.
