

## ST MARGARET'S MUSIC SCHOLARSHIP

The St Margaret's Music Scholarship offers a way for young people to explore everything from Gregorian chants to Gospel songs, from traditional hymns to contemporary worship music. This is an exciting opportunity for young musicians to engage in the heritage of church music. Young people who have had this involvement in music making go on to lead and help develop the future of society.

Our aim is to expose young people to music that has contributed to the shaping of western civilization.

**This Music Scholarship is worth \$2000 and contributes to a student's instrumental fees for one calendar year dependent on regular reviews of the student's progress. Scholarship recipients are expected to engage with and learn music to be performed at specially designed monthly church services at St Margaret's Eltham. Scholarship recipients will be invited to perform at an annual concert to showcase their personal talents and music.**
