ACKNOWLEDGEMENT

St Margaret's Anglican Parish Eltham acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the land on which we worship. We commit to working for reconciliation and justice for First Peoples. Diversity and inclusivity are important to us at St Margaret's. Everyone is welcome here, regardless of race, gender, sexuality, or ability.

ABM PEW REFLECTIONS

God's plans for saving humanity and all creation will not be thwarted. It was no wonder Sarah laughed at the idea of conceiving a child, since she was past child-bearing age – but all things are possible with God, and through this child came many descendants, all the way to Jesus. Then through Jesus' perfect life, death and resurrection all that was broken has been restored – we have peace with God, access to God's grace, and hope for the future. Thanks be to God!

- Praise God for sending Jesus and pray that we may grow in grace so that we may love others as he loved us.
- Give thanks for the work and witness of the Anglican Church of Korea, the *Daehan Seong Gong Hoe*.

one God, for ever and ever. **Amen.**

FAITH ISSUES DISCUSSION

All parishioners and friends are invited to Faith Issues Discussion Monday 19 June at 7,30pm in the church. The discussion is on one, if not the most, important person of the Reformation - **Martin Luther**. All who call themselves Anglicans should know of the critical theology of Luther. He has impacted the Anglican church greatly, and he still impacts us today at Saint Margaret's. The discussion will be led by me and I promise a lively and informative discussion.

Light refreshments will follow the discussion. Transport can be arranged.

Pre-loved Bicycles for the Community

Eltham Men's Shed provides a voluntary community service, restoring good quality, pre-loved bicycles for children and adults.

Our aim is to assist less fortunate families, migrants, school groups and any individual doing it tough in the Nillumbik/Banyule and surrounding area.

As children grow they need to upgrade, upsize their bikes. People with disabilities need special modifications/changes to their bicycles and we are here to help and assist them.

EMS work with local councils, schools and not profit welfare organizations. Discretion and privacy is assured.

Over 200 bikes have been donated by EMS promoting community physical and mental health wellbeing.

If you think we can assist any of your community members please contact one of the people listed below.
