FaithFull Women 2024

FaithFull Women is open to women of all faiths or none who are interested in exploring issues of life and faith in a safe and supportive environment.

The 2024 program offers an opportunity to take time out from our busy lives to experience a variety of spiritual practices that engage our bodies, minds, and emotions. After most programs there is an opportunity to stay and share with others during a yummy supper.

The program is based at St. Margaret's Anglican Church in Eltham and uses its wonderful facilities and spaces for activities, including the full size labyrinth.
