The Five Marks of Mission

The Five Marks of Mission are an important statement on mission. They express the Anglican Communion's common commitment to, and understanding of, God's holistic and integral mission. The mission of the Church is the mission of Christ.

The Five Marks of Mission:

The mission of the Church is the mission of Christ

1. To proclaim the Good News of the Kingdom
2. To teach, baptise and nurture new believers
3. To respond to human need by loving service
4. To transform unjust structures of society, to challenge violence of every kind and pursue peace and reconciliation
5. To strive to safeguard the integrity of creation, and sustain and renew the life of the earth

CHILD SAFETY STANDARDS

Parish Council and Wardens do respectively wish our whole Parish to ***Read*** over the coming weeks the Child Safety Standards developed by the Diocese, that we at St. Margaret's are responsible for. Some of the Standards may be familiar to you, others not so familiar. Therefore your attention to each one is for your consideration.

It is the responsibility of the whole Parish to keep our young people and others safe. In the coming weeks we will *highlight* one Standard a week for you to think about, discuss and comeback to Parish Council, Wardens or our Vicar Rev.Yvette if you have questions.

This week –

Child Safety Standard 1:

Your/Our organisation establishes a culturally safe environment in which unique identities and experiences of Aboriginal and Torres Strait children and young people are respected and valued.

Faith Issues Discussion

All parishioners and friends are welcome to Faith Issues Discussion 4 August 2025 at 7.30pm in the church. Refreshments will follow.

David Tuke will lead a discussion on the issue of *Democracy in the Church Part 2.*

It continues a discussion from a few weeks ago. However, it is standalone so need to worry if you did not attend Part 1.

Bible Reading Mini Update!!

Dear Scripture adventurers!

Thank you for those who placed their name down on the list to read scripture together.

I was thinking !!...how we ran our Lenten bible reading on The Gospel of Luke may be the way forward; that is holding two sessions a week – one on Wednesday and the other on Sunday.

In addition, I am proposing that we read a book at a time over a period of say six weeks- have a break and then convene for the next book and so on ….

(reading it in our own time and then coming together to discuss it.)

I will look at dates and books and get back to you next week!

How does this sound ?

Every blessing, Revd. Yvette

A huge thank you

'Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver. 8And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work'

2 Corinthians 9:-7NRSV

This bible verse is quoted often isn't it!

Over the past two months St Margarets church community has given to the 'Script program' (food for the refugee family) , the Winter initiative – (Jumpers in June and July) , Linc food pantry , Anglicare and phones for those who are living with Domestic Violence and Abuse ...not forgetting to mention giving of your time and gifting to various ministries.

May our lord and saviour continue to bless others through our generous giving.

Thank you

Peace and all good

Revd. Yvette

Welcome to Eltham

Welcome to Eltham, with the new working group Welcome to Nillumbik, have a new refugee family arriving on the 31st July. Due to so many people's generosity, we have been able to get good quality second hand goods to furnish a temporary housing accommodation for four to six weeks in Diamond Creek. The house now is their safe home.

We have collected so much food from St Margaret's that their pantry is overflowing. We have always been able to rely on St Margaret's for their generosity and open hearts and friendship we thank you so much, once again. A special thank you to Mary & Yvette.

and Parish Council need your help!

You may not know that we as a church give to at least 4 projects/causes annually – usually locally, nationally and globally.

In our pew sheet this week you will see 3 global projects which we would like to make a one off $5,000 contribution towards supporting our Global Anglican family.

The Anglican Board of Mission ABM informs the Anglican churches of mission projects that will make short- and long -term positive effects (from which we have narrowed them down to three) which we believe are in line with some of our concerns at St Margaret's Church.

We ask that you take time to discern which **one** the money should go to this year.

There will be a box in the foyer; please just write the number on the pieces of paper provided which correlates to the one you would like the money to go to 1,2 or 3.

Thank you all in advance

Rev Yvette

LEADERSHIP

ABORIGINAL AND TORRES STRAIT ISLANDER LEADERSHIP

"God gave us our law – not in the written form as with the Jewish people, but in the form of the land and the ceremonies and stories that go with it, which are written in our hearts and minds."
Rev. Djiniyini Gondarra

For 50 years Nungalinya College has empowered Aboriginal and Torres Strait Islander people by providing education and employment pathways, supporting the development of Indigenous theological perspectives and encouraging the expression of Aboriginal and Torres Strait Islander languages and cultures.

Your gift to the Aboriginal and Torres Strait Islander Leadership fund supports Nungalinya and other such institutions and initiatives which advance Indigenous Education and Self-Determination, supporting Aboriginal and Torres Strait Islander people to be leaders of churches and communities.

CHURCH OF THE PROVINCE OF MYANMAR (CPM)

The Church of the Province of Myanmar (CPM) delivers life-changing support to remote communities: clean water, hygiene training, and sustainable livelihoods.

In Homalin, in Sagaing Region, 22 households now have clean, safe water thanks to a new well and water system. Training in hygiene and sanitation has further improved health, while education on gender equality has empowered the community.

In Hpa-an Diocese, women now run successful weaving businesses, achieving financial independence. Similarly, in Pyay Diocese, men like Michael Khaing Htoo were trained in motorcycle repair, helping communities stay mobile and self-reliant. Improved income also enhances food security.

Your support continues these transformative projects, creating hope, dignity, and opportunity for more remote families struggling with poverty to improve their own lives.

DIOCESE OF JERUSALEM (DOJ)

Amidst continuing dire conditions, the Diocese of Jerusalem strives to deliver essential healthcare and education to vulnerable communities in the Holy Land, through its extensive network of parishes and service provider institutions, including hospitals and schools.

While much energy and attention are given to their ongoing work in Gaza they also support educational opportunities for children who might otherwise miss out. Saviour Arab

Evangelical School in an industrial city in Jordan, offers that city's only program for vision impaired students. They want all students, regardless of disability, to learn and play together.

Your support makes a profound difference to vision-impaired children and hope to their families by providing quality inclusive educational opportunities. Together we bring hope and joy to these children and their families.

Hello, warm greetings from FNQ! After our stay in Sydney we drove up the coast as far as Townsville – a major port and largest city in tropical Queensland. We admired the many restored 19th C buildings in use today. We visited St James Anglican Cathedral (not pictured) in time for Evensong. There is a practice of serious walks in Townsville – such as up the road on Castle Hill

Pew Reflections

ABM celebrates its 175th Anniversary on 29 October 2025. In the runup to that celebration, we present a series of vignettes which have been produced by friends of ABM which reflect on various themes—celebration, mission, partnership and so on.

My own first memory of ABM was meeting Bishop Ken Mason in the early 80s when he was also Bishop Protector for the Society of St Francis, the Anglican Franciscan order. ABM has had a long connection with the Franciscan Brothers – particularly because of our brothers in PNG and Solomons, and also Korea and elsewhere. Many of our older brothers knew and worked with ABM missionaries in PNG, 'back in the day'. We work under different arrangements, different structures – but at grassroots level we are all people who have a passion for the gospel and for helping build up local church ministries and programmes.

To me, ABM feels like a family connection.
